**Objective:** Seeking full time career in Logistics Management or Operations Management for starting as early as June 2010 where I can use my leadership capabilities and knowledge of managerial tactics to help companies succeed.

## Education

*The Ohio State University* Columbus, Ohio June 2010  
Bachelor of Science in Business Administration  
Majoring in Logistics Management and Operations Management  
Minor in Economics  
GPA: 3.16

## Projects

*Operations Management 732:*

Worked on a vendor scorecard for Columbus Fish Market. They had no way of telling which suppliers were their key suppliers, and we implemented a system in which was easy to use, and they actually follow.

*Operations Management 735:*

Worked on a project for a start up restaurant on campus. Made a ordering formula spreadsheet, which they are currently implementing for their food supplies. Made a demand chart which tracks the days of the week demand, weekly demand, and time of day demand (breakfast, lunch, dinner) which they are also using.

## Experience

*Buckeye Express, Columbus, OH* September 2008 – present
