The Ohio State University, Columbus, Ohio.

- Fisher College of Business
- Emphasis in Operations Management
- Major GPA: 2.90/4.00
- Overall GPA: 2.80/4.00
- Dean's List

Experience

National Supply Chain Management Analyst, Summer Internship, Sysco Corporation Summer 2009

- Analyzed all components of the supply chain from the manufacture to the customer and implemented valuable cost saving changes in a Fortune 100 company.
- Increased the companies earned income while introducing savings to the customers.
- Strengthened my technical skills in Excel, Access, PowerPoint, and Business Objects.
- Proposed new optimal inbound freight brackets after building models using historical load fill data and transportation constraints saving the company thousands in freight charges.

Server, Moosie's Bar and Grill 2007 - 2008

- Developed valuable people and communication skills in a diverse working environment.
- Improved my multi-tasking ability through servicing multiple tables simultaneously.
- Learned how to solve unexpected problems effectively on a daily basis.
- Served customers thoroughly and efficiently from start to finish in the dining room and bar.

Customer Service Representative, Golf Galaxy 2005 - 2006

- Established firsthand experience on the importance of customer service in an emerging publicly traded business in a competitive market.
- Learned the importance of keeping an accurate inventory for growth and continued success.
- Responsible for inventory replenishment, an accurate cash register, and sales floor stocking.
- Only non-management employee to work in all four service departments on the selling floor.

Activities

Business Builders Club Sep 2008 - Present

- Attend weekly meetings to listen to fellow entrepreneurs present about their work.
- Visit local venture firms and discuss business strategy and technique.
- Meet and interact with accomplished and inspiring individuals that give us insight on starting or leading a business.

Common Cents Investing Group Sep 2008 - Present

- Attend seminars and group meetings to become a smarter investor in today's economy.
- Practice different individual and group investment strategies.
- Help team manage investment group profiles and simulated portfolios.

Buckeye Operations Management Society Sep 2008 - Present

- Discuss relevant business issues, attend guest speaker events, take plant tours, and network with local businesses.
